Herman s Journey of Purpose: Get Out of Your Comfort Zone and Pursue Your Purpose! (Paperback)

By Barrett Hopper

Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our character here is one that is all too familiar to some of us. HerMan is somewhat of an interesting little being. HerMan is a COCKROACH! That s right, a parasite, nuisance, dirty, disease riddled, unintelligent, undesirable, detestable, sleazy, and downright nasty bug or so we commonly think. You will see that HerMan is actually very motivated, caring, loving, social, and even cute (in a strange kind of way). The story will guide you through four key areas to lead you to your purpose. I. Recognizing II. Deciding III. Developing relationships IV. Your purpose. What to do with it? Our purpose of this book is to allow you (the reader) to follow Herman throughout his journey. You will find questions at the end of each section to help you gather your thoughts. You will be enlightened about your own journey of purpose.
