By Knox, Elizabeth; Chr

Book Condition: New. Ships From Canada. New in new dust jacket. From School Library Journal: Grade 5-9 Laura Hame and her cousin Rose, 14, live in a recognizable early-20th-century society, realistically portrayed but for one thing: the Place, discovered about 20 years earlier by Lauras father. It lies outside geographical boundaries, and only select people are able to enter and experience dreams there. These dreamhunters then perform their received dreams for large theater audiences, and those in attendance go to sleep and experience them. At the time of this story, dreams have become big business and are embroiled in issues of social control (especially the control of prisoners) and power politics. When Lauras father disappears, the girl takes enormous risks first to try to find him, and then to complete his mission. While the author leaves tantalizing clues throughout the novel, the plot moves slowly at first. However, patient readers will find themselves rewarded by the riveting action in the final th.
