Brand New Book ***** Print on Demand *****.Excerpt from Caledonia, Vol. 3: Or, a Historical and Topographical Account of North Britain, From the Most Ancient to the Present Times, With a Dictionary of Places, Chorographical and Philological In prosecution of my plan for removing the difficulties, settling the disputes, and clearing the obscurities of the history and antiquities of Scotland, I now presume to lay before the Public the second volume of my Caledonia. For effecting those several objects in my first volume I treated of the more ancient history of Scotland in four Books; the first containing the Roman Period, and ending with 446 A.D.; the second comprehending the Pictish period, and closing with 843 A.D.; the third treating of the Scottish affairs, and finishing in 1097 A.D.; and the fourth book discussing the colonization and history of the Scoto-Saxon people, and concluding with 1307 A.D. The four books thus ascertaining in ample detail the ancient history of North-Britain. But though many novel views were given and a thousand uncertainties were ascertained, that volume has not been formally controverted. Every intelligent person has...
