PAVILION BOOKS, United Kingdom, 2014. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. London s Royal Palaces are still some of the most visited places in England. A great deal of their official histories are well known. But **London s Strangest Tales: Historic Royal Palaces** reveals the bizarre, funny and surreal events and episodes that have occurred over the centuries on the grounds of these beautiful buildings. It gives an alternative history: from the wandering inebriated zebras at the Tower of London, the cricket ball that probably killed a king, and the mystery of Kew s disappearing mosque. This is a wonderful collection for anyone with an interest in the history and heritage of our palaces and in London life generally.
