THE BONE DOLL'S TWIN

Spectra / Bantam, 2001. Soft cover. Condition: New. 1st Edition. 174 x 106 mm. Language: English Brand New Book. Sometimes the price of destiny is higher than anyone imagined. Dark Magic, Hidden Destiny For three centuries a divine prophecy and a line of warrior queens protected Skala. But the people grew complacent and Erius, a usurper king, claimed his young half sister s throne. Now plague and drought stalk the land, war with Skala s ancient rival Plenimar drains the country s lifeblood, and to be born female into the royal line has become a death sentence as the king fights to ensure the succession of his only heir, a son. For King Erius the greatest threat comes from his own line and from Illior s faithful, who spread the Oracle s words to a doubting populace. As noblewomen young and old perish mysteriously, the king s nephew his sister s only child grows toward manhood. But unbeknownst to the king or the boy, strange, haunted Tobin is the princess s daughter, given male form by a dark magic to protect her until she can claim her rightful destiny. Only Tobin s noble father, two wizards of Illior, and an outlawed forest witch know the truth. Only they can protect young Tobin from a king s wrath, a mother s madness, and the terrifying rage of her brother s demon spirit, determined to avenge his brutal murder.
