Reviews

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

CREATURES OF THE FOREST

Perronet Press. Paperback. Book Condition: new. BRAND NEW, Creatures of the Forest, Frank Hinks, For ages 5-10. The boys and rabbit Scrooey-Loeey are captured by the witch Griselda. Her guards (three dim daft dwarves) try to cook them by magic. They do not know you cannot cook a boy by magic: there is too much fun and wildness in them. The boys and rabbit travel to the Lost Magic Office. When they escape they are chased by goblins, Griselda and her guards. They hide in what they think is a cave, but is in fact a snake 100 long 10 high and wide. The snake burps sending boys and rabbit flying into a creepy forest, where evil creatures (Globerous Ghosts, Mystic Mummies, Venomous Vampires, Scary Scots and a gnarled old man) are defeated with the help of the Ducky Rocky, Hero Hedgehogs, Precious Plants and Racing Racoons. Griselda follows but is bound up when the Precious Plants reverse her magic. This was my boys favourite story. With the different actions to defeat the monsters I could get them thoroughly over-excited before bed-time.
