Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s been said that the heart is the center and most vital organ in the body, and it has been referred to as the center of our creation. It s a place where all goodness, peace, trust, love, and kindness come from. As such, it is where our spiritual existence and our empowerment dwell. It s also a place to mentally go to in times of trouble and confusion, for advice, or just to talk to that being with which we are spiritually connected to. We are not alone. We were all created by a divine, spiritually intelligent Source-Energy being. As a result, we all have this Source Energy that we are connected to as a guidance system-it is an inner being for direction that will never leave you and will always guide you and love you unconditionally. This is your pure heart-always pure, always perfect, and always loving.
