CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 412 pages. Dimensions: 9.6in. x 6.7in. x 0.9in. Chinese History Made Easy by Hanson Chan has been praised for its concise and fresh narrations of the general history of China for common readers ever since its publication in Chinese edition five years ago. Here is the English edition of that book. In the Preface, the author said: Chinese History is easy. It is easy to learn, easy to understand, and easy to remember. In this book, I'll show the readers a simple way of how easy it can be. He explained: There is a gift I hand out hidden between the texts of this book. There are keys for every reader to unlock doors getting through the maze of long corridors that lead to houses of many kings and queens, numerous rebels and generals in the courses of old and new histories of China. Those are useful keys for outsiders, because when you try frantically to snoop over the endless volumes of Chinese writings on the five thousand years of its history and cultural developments through the ages, you do need a good guide. This book is aiming to do that and more. It is easy to read and understand, and importantly, it also helps you to remember. Simply speaking, the book deals with the entire five thousand years of history of China into three sections. Consecutively, they are: (1) The Ancient Period, (2) the Imperial Ages, and (3) the Modern Times. In which the Ancient Period deals with the section of its myths and origins, and its ancestors and rulers before the Qin Dynasty was formed in 221 BC. The Imperial Ages tells the section began with the First Emperor of China who was enthroned...
