SHERLOCK HOLMES THE ADVENTURE OF THE COPPER BEECHES ELEMENTARY STORIES MASTERPIECE COLLECTION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. To the man who loves art for its own sake, remarked Sherlock Holmes, tossing aside the advertisement sheet of the Daily Telegraph, it is frequently in its least important and lowliest manifestations that the keenest pleasure is to be derived. It is pleasant to me to observe, Watson, that you have so far grasped this truth that in these little records of our cases which you have been good enough to draw up, and, I am bound to say, occasionally to embellish, you have given prominence not so much to the many causes of clares and sensational trials in which I have figured but rather to those incidents which may have been trivial in themselves, but which have given room for those faculties of deduction and of logical synthesis which I have made my special province. And yet, said I, smiling, I cannot quite hold myself absolved from the charge of sensationalism which has been urged against my records. You have erred, perhaps, he observed, taking up a glowing cinder with the tongs and lighting with it the long cherry-wood pipe which was wont to replace his clay when he was in a disputatious rather than a meditative mood you have erred perhaps in attempting to put colour and life into each of your statements instead of confining yourself to the task of placing upon record that severe reasoning from cause to effect which is really the only notable feature about the thing. It seems to me that I have done you full justice in the matter, I remarked with some coldness, for I was repelled by the egotism which I had more than once observed to be a strong...
