Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to my wide-arrayed and vivid display of poetry. As an author I write about all the happenings of my life as well as painting picturesque scenes for my reader. The common themes you ll see in reading this are autism as it relates to my life and function. Autism poems written from others perspectives. Nature and one-word titled poems describing the uniqueness and beauty around us. I highlight that our differences should be noticed and embraced, it always helps when you have people that understand your world. This poetry book shows the progression of my knowledge of intolerance but also societal dichotomies. The themes and thoughts expressed should help understand what autistic people go through and bring you face to face with my world and imagination. I hope you enjoy my book.
