Learning from the Land: Teaching Ecology Through Stories and Activities (2nd Revised edition)

By Brian "Fox" Ellis

ABC-CLIO. Paperback. Book Condition: new. BRAND NEW, Learning from the Land: Teaching Ecology Through Stories and Activities (2nd Revised edition), Brian "Fox" Ellis, Former teacher and an acclaimed author Brian "Fox" Ellis is a master at using creative storytelling to open up the natural world to students. With this new edition of his highly praised Learning from the Land: Teaching Ecology through Stories and Activities, Ellis gives educators 12 captivating science-based stories as well as the supporting material they need to use those stories at a variety of learning levels. This latest edition immerses students in both the process and the excitement of science. Ellis's original stories explore everything from the Big Bang theory to plate tectonics, from the water cycle to the food web, from forest ecology to animal intelligence. The accompanying lesson plans-all based on national standards-include tips for discussions, writing activities, mapmaking, storytelling, scientific observations, and other activities-everything teachers need to break through the walls of the classroom and immerse their students in the interworkings of the world outside.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
