This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

PRIVATE LABEL: TURNING THE RETAIL BRAND THREAT INTO YOUR BIGGEST OPPORTUNITY

Kogan Page. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.9in. x 5.8in. x 1.1in. Private labels, also known as store brands or house brands, have long been associated with inexpensive name-brand knockoffs. In recent years, however, retailers have begun marketing higher-quality products under their private labels. The result has been a huge increase in the market share of private label brands. Of every 100 spent around the world, 17 is spent on a private label. The private label industry is worth an estimated one trillion US dollars, and its growth is outpacing that of manufacturer brands. Private Label is a gripping and persuasive study of this retail phenomenon. Based on exclusive worldwide research by Saatchi and Saatchi X, it encourages brand owners to see the private label problem as a genuine business opportunity that will inspire them to really innovate. This book is for retailers too, as they need to control private labels profitably without damaging their own business. The way forward, the authors argue, is cooperation between brands and retailers. Punchy and provocative, Private Label encourages both brand owners and retailers to reinvent themselves continually. By making use of megatrends, shopper insight, and value innovation, all parties can add value to their businesses. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
