*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## HAPPINESS NO MAN REQUIRED (HARDBACK)

Lighting the Way International, 2016. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With more women single than married now in America, Happiness No Man Required written by Dwayna Litz is a much needed read with 50 Tips teaching women how to feel complete and whole with or without a man s affirmation. Statistics show that many women in the United States are currently staying single not because they do not want to be married but because they cannot find the right man for marriage, all too often left heartbroken by yet another Romeo only looking for a hookup. Happiness No Man Required is not a man-basher but an honest portrait of what women face in today s dating scene, compassionately encouraging women to realize that being single or married does not have to be a distortion of their dreams coming true. Happiness No Man Required praises good men, instructing women how to know the difference between the good and the bad and love and love addiction. Litz cheers single women on as they are now living in a postmodern age where the label of being called an old maid has become antiquated. Though no names are mentioned, all of the stories in the book are true with tips such as Know the Difference Between Love and Love Addiction; Hitler Was Charming, Too; Give Yourself 90 Days to Detox; Count Your Blessings; Leave Mr. Wrong Without Gaining Weight; Happiness=Compatibility in Character; It s a Trap if You Are Trying to Save Him; Beware of Online Dating; A Crazy Man Will Make You Crazy; How to Have a Happy Valentine s Day Without a Man; Good Men Still Exist; Do a Background Check; Hold On to Your Money; An Abuser Will Still Be Abusive Even if...
