## THE GIANT OF THE NORTH: POKINGS ROUND THE POLE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Giant was an Eskimo of the Arctic regions. At the beginning of his career he was known among his kindred by the name of Skreekinbroot, or the howler, because he howled oftener and more furiously than any infant that had ever been born in Arctic land. His proper name, however, was Chingatok, though his familiars still ventured occasionally to style him Skreekinbroot. Now it must not be supposed that our giant was one of those ridiculous myths of the nursery, with monstrous heads and savage hearts, who live on human flesh, and finally receive their deserts at the hands of famous giant-killing Jacks. No! Chingatok was a real man of moderate size-not more than seven feet two in his sealskin boots-with a lithe, handsome figure, immense chest and shoulders, a gentle disposition, and a fine, though flattish countenance, which was sometimes grave with thought, at other times rippling with fun.
