SUPER-HERO DAD

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.My dad was just an ordinary dad until he had those accidents. At the time he thought he was unlucky, but as it turned out they changed his life for the better - and mine too! You see, when his powers started appearing, he had no idea what was going on. What he needed was someone who was an expert on super-heroes, someone who had spent their whole life collecting and reading super-hero comics, someone who knew everything there was to know about super-heroes and their powers. Someone like me. I could explain to him how he was being transformed, and help him to discover the best way to use his amazing powers. The trouble was, at the same time we discovered something else too. A horrible, evil plan to turn the Earth s population into an army of monsters, to fight in alien wars on the other side of the galaxy! And the only thing that stood between humanity and this terrible fate was - SUPER-HERO DAD! Oh, and me too.
