Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

PRAGMATICS OF NATURAL LANGUAGES SYNTHESE LIBRARY

Springer. Paperback. Book Condition: New. Paperback. 238 pages. Dimensions: 9.2in. x 6.1in. x 0.6in. In June 22-27, 1970, an International Working Symposium on Pragmatics of Natural Languages took place in Jerusalem under the auspices of The Israel Academy of Sciences and Humanities and the Division of Logic, Methodology and Philosophy of Science of the International Union of History and Philosophy of Science. ! Some thirty philosophers, logicians, linguists, and psychologists from Israel, U. S. A. , West-Germany, England, Belgium, France, Scotland, and Denmark met in seven formal and a number of informal sessions in order to discuss some of the problems around the use and acquisition of language which in the eyes of an increasing number of scholars have been left under treated in the recent upsurge of interest in theoretical linguistics and philosophy of language. More specifically, during the formal sessions the following topics were discussed: The validity of the syntactics-semantics-pragmatics trichotomy The present state of the competence-performance issue Logic and linguistics The New Rhetoric Speech acts Language acquisition. The participants in the Symposium distributed among themselves reprints and preprints of relevant material, partly in advance of the meeting, partly at its beginning. Each session was introduced by one or two moderators, and summaries of each day's proceedings were prepared and distributed the next day. The participants were invited to submit papers after the symposium, written under its impact. The eleven essays published here are the result. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
