BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A provocative and intimate exploration of modern parenthood by a gutsy young third wave feminist - The New York Times If parenting is making Americans unhappy, if it s impossible to have it all, if people don t have the economic, social, or political structures needed to support parenting, then why do it? And why are anxious new parents flocking to every Tiger Mother and Bebe-raiser for advice on how to raise kids? In *Why Have Kids?*, Valenti explores these controversial questions through on-the-ground reporting, startling new research, and her own unique experiences as a mom. She moves beyond the black and white mommy wars over natural parenting, discipline, and work-life balance to explore a more nuanced reality: one filled with ambivalence, joy, guilt, and exhaustion. A must read for parents as well as those considering starting a family, *Why Have Kids?* is an explosive addition to the conversation about modern parenthood.
