

Victorian Cape May (Paperback)

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

History Press (SC), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Elegant remnants of the Victorian era grace almost every corner of Cape May. Wealthy locals built opulent homes like the Emlen Physick Estate and the George Allen House, while grand hotels like Congress Hall and the Chalfonte welcomed visitors from around the country. Even presidents came for the healthful sea air and distinguished venues. Yet the gaieties of these well-heeled patrons were shadowed by strictly defined social roles. Men and women--upper class, as well as cooks and servants--had vastly different experiences in this resort town. Local historian Robert Heinly explores all aspects of this world. Peer into the upstairs and downstairs of these majestic homes to discover what life was like in Victorian Cape May.
