

The Resistible Rise Of Benito Mussolini (Paperback)

By Tom Behan

Bookmarks, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. In 1920 Italy was on the verge of a socialist revolution. Just two years later Benito Mussolini s fascists took power and ushered in an era of repression, war and, ultimately, genocide. In this enthralling book Tom Behan shows how a group of militant anti-fascists came close to stopping Mussolini and changing the course of history. Tragically, their bravery was undermined by a combination of the left s sectarianism and naive faith in the impartiality of the police. An important and detailed analysis of a period of Italian history which is often ignored - WSF.
