LAP LAMBERT Academic Publishing. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 8.7in. x 5.9in. x 0.6in. Evidence Based Dental Practice is a process that restructures the way in which we think about clinical problems. It is an approach to clinical problem solving that has evolved from a self-directed and problem based approach to learning rather than the more traditional didactic form. It is a process of making decisions based on known evidence. Evidence Based approach is ideal in today's situation and it is important that these clinical decisions making incorporate the best available scientific evidence in order to maximize the potential for successful patient care outcome. Evidence-Based care is not just a literature review by a bunch of academicians looking for something to do. Evidence-based care is a technology that provides the best available current evidence on the basis of a proven and objective set of principles. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
