THE MEXICAN SPHINX (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Mexican Sphinx I will not commit the injustice of believing that the erroneous Opinions so often heard about my native country are intended as a gratuitous offence, as during the nine years that I have lived among the American people I have had occasion to know them well, and am convinced that later they will do us justice. These opinions are merely the result of an error, which cannot be eradicated if false historical representations are allowed to go uncontradicted, and thus further affirm prejudices by the silence of those who can and ought to dissipate them. If a citizen of whatever nationality has knowledge of defamations of his country, and does not endeavor, as in duty bound, to make clear the truth, he is not worthy of his own country nor of the respect and consideration of the country in which he lives.
