Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

GAME-DAY GODDESS: LEARNING BASEBALL S LINGO (GAME-DAY GODDESS SPORTS SERIES) (PAPERBACK)

BB Publishing, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine receiving an invitation to your boss s party to watch a baseball game. Horror strikes because you don t know the first thing about the sport-or maybe you d like to know more. Or, you love your job, and you want to impress your supervisor and colleagues. But what s a foul ball? Why are those men running on the field and charging about wildly? Before you go nuts trying to learn the language of baseball on your own, read Game-Day Goddess: Learning Baseball s Lingo to understand the game. Let this book familiarize you with the expressions the broadcasters use on TV and radio; grasp what s happening when those men on the field in blue shirts thrust their arms high above their heads. One hint. They re not beginning a cheer, such as the wave. Game-Day Goddess: Learning Baseball s Lingo documents the action you ll see on television or hear on the radio, or in the stands, and the essentials of the game. A handy reference covering the most important phrases and words used in today s game at the pro and college level, this concise dictionary features simple entries. With this resource, readers will never again be at a loss for the meaning of a baseball phrase or feel foolish because they don t know what s going on out on the field.
