Page Publishing, Inc., United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English,Spanish . Brand New Book ***** Print on Demand *****.The discovery of the power to influence and persuade other people can be a shock, especially when it evolves out of a situation that threatens to ruin the life of a young girl. Tess, the heroine of the story, finds herself immersed in a real life situation that few can cope with nor understand. Tess s road to solving her problem requires that she go backward in time, undoing all that she had accepted as fact until she finds a bedrock to build upon. What she discovers is far different than she expected. What she had viewed as a liability becomes her greatest asset as new values replace old beliefs. The solution to her problem becomes an evolving process using this new knowledge to replace the simple views of a young girl. Tess s road to enlightenment can be a shared experience with the reader and hopefully identify values that will carry beyond the last page of this book.
