THE AGE OF SINATRA

DOWNLOAD

Counterpoint. Paperback. Book Condition: new. BRAND NEW, The Age of Sinatra, David Ohle, Part political allegory, part sci-fi dystopia, ohle's world is disturbing, witty and oddly compelling. After the most recent Forgetting, Ohle's luckless protagonist Moldenke is in possession of only his name and the bare facts of his former life. He finds himself cruising on the Titanic through a bizarre alternate reality where elective deformation is a fashion trend, non-human and human settlers do their best to live together in relative harmony and the only available sustenance is stomach-churning fare. Everyone agrees the Stinkers are troublesome and something must be done. President Ratt not only fails to control the Stinker problem, but he also has a penchant for decreeing absurd laws and issuing random vouchers of innocence. Violators with valid vouchers defer their punishments to guiltless bystanders - a regulation that lands Moldenke and his fellows in prison more than once. Rumours are circulating that another Forgetting is imminent, and that the Forgettings are induced by Ratt's radio broadcasts. The prison guard Montfaucon emerges as Ratt's political rival, and Moldenke, ever the yes-man, finds himself inadvertently involved in a plot to assassinate the president. The rebels hope to return to the "Age of Sinatra", "when happiness was not only considered achievable, but hailed as the ideal state of being."
