Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Humans have many historical reasons to resort to war, but that was never our Destiny. We are destined to grow in our ability to Love, then on into Unconditional Love, and finally much beyond that. At the present moment, there is an exponential process of change underway and business as usual may be permanently a thing of the past. Humans are evolving into a new species who live in evolving stages of Love, not the historical stages of Fear. For a short time, however, the two may compete for dominance and we may be into tumultuous times. Our genes make us susceptible to an us versus them mentality that has been used, and also misused, over the ages to provide supposed safety for our local, tribal and national groups, often with disastrous results. Our most primitive, reptilian brain acts as though life is a kill or be killed affair, while our early mammalian brain is all about small groups being "All for one and one for all!" This is both a step up and a useful response under some present conditions. Our later mammalian brain goes back to a tribal, or national, version of us versus them, with them being nasty, bad and worthy of decimation. Our last brain ignores our spiritual nature and can be used to justify atrocities, according to local, relative value systems. The evolution of the thinking but fearful Homo sapiens into the loving Homo spiritus is guiding a significant fraction of present humanity into an anti-war and inclusive approach to all of creation. We are now being seen as one, and when we go to war it is ultimately against...
