Look at this, it s supposed to be the place where I type in the description of my book and I m already eighty-four words into this and haven t directly talked about what my book is about. I guess in retrospect and all things considered, not getting to the point is my way of letting you know that this book was written by a perennial (sounds like I m a Tulip) procrastinator. The reason I wrote this book was I felt it was high time someone who was an actual procrastinator took the bull by the horns, the rain in Spain, and the cat in my hat, and wrote a book short...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
