ICONS OF A DREAMING HEART: THE ART AND PRACTICE OF DREAM-CENTERED LIVING (PAPERBACK)

DOWNLOAD

STEINER BOOKS, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Behold a beautiful book: fresh, alive, penetrating, subtle. It s not just about dreams, but about life s daily waking dreaming, the mysteries that permeate our days, the images that swarm around us. It s written as narratives folded into narratives, always captivating and educating, always enticing and even entertaining. I fell into its stream and wanted it to go on and already imagine its sequel. --Thomas Moore, author of Care of the Soul and The Planets Within We are accustomed--it is now part of our culture--to imagining dreams as some kind of messages from the unconscious. Sometimes, they really get our attention and won t go away. Still, the prevailing notion is that if dreams do mean anything, they must be interpreted, put into our present ways of understanding, taken out of their own way of presenting themselves. Renee Coleman, explodes and breaks through the very notion of interpretation which has become an actual block, a barrier to dreaming having immediate significance in life. Dreaming, she convincingly shows through intense and dramatic demonstrations with her dream groups, presents, presences, the action of imaginably real companions. Dreams are real! They are not separate from life but rather ever-present promptings to enter further and further into the fullness of life. How Dr. Coleman lets the characters, actions, circumstances, and the very worlds of dreaming reveal themselves constitutes the essence of this writing. There is no theory here. We are taken into a new kind of attentiveness, available to everyone. We learn a deep listening, being penetrated, coming into immediacy, intimacy, complexity with each and every character of a dream and what those characters are doing with us. We come to experience the...
