THE BED BUG EPIDEMIC IS REAL The good news is, you can do something about it. Do you have a problem with bed bugs? Are you scared you might get them? Did you know that the bed bug epidemic is rapidly spreading? An exterminator once told me: It's not if we get them. It's when we get them. How can bed bugs affect your life? Bed bugs can create a big strain on your social life, health, well-being, and happiness. This is not something to be taken lightly, because bed bugs can be extremely difficult to get rid of if you don't have the correct knowledge. Because of this spreading epidemic, millions of people are disposing of their furniture and other belongings which is adding to the landfills. Millions of dollars are being tossed down the drain. Loads of time is being wasted because people are not educated on how to eradicate this overwhelming problem. What about buying products to get rid of bed bugs? There are some good products that work like diatomaceous earth, but, unfortunately, there are tons of places marketing the wrong chemicals, natural methods, devices, traps, and bed bug killers, to unsuspecting customers who are desperate to get rid of bedbugs. Little does the average consumer know, many companies are profiting from products that only somewhat work, or do not work at all, and they don't even know how the products are properly used, so you could make the problem worse by not doing it right the first time. However, this guide will explain to you which products will and won't work and tell you how to use them....
